KŌDO AP CLOUD

Automate your accounts payable process with Kōdo AP Cloud, your cloud-based solution to simplify and provide visibility over your accounts payable process.

Capture & extract

Invoices approvals

Search

Dashboard

Automatically **capture invoice data** and say goodbye to data entry

Automatically route **invoices** through for **approval**

Find what you are looking for fast and easily with **Search** and filters

The powerful **Dashboard** provides visibility of all invoice statuses of approval and any exceptions

Having trouble managing the amount of invoices incoming each month?

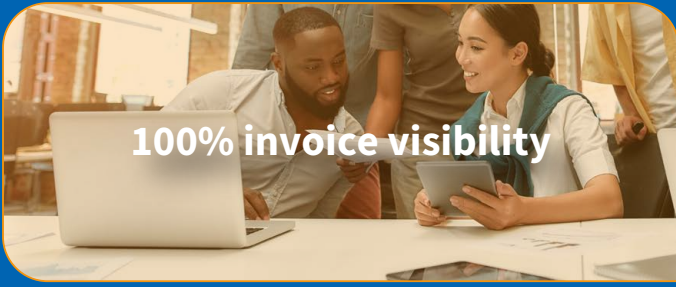

Unable to work-from-home due to manual paper-based processes?

Is it difficult to find invoices and whether they have been approved or paid?

Kōdo AP Cloud is an Accounts Payable solution, here to help you say goodbye to these issues!

AP Cloud
Powered by Redmap

- > **All supplier invoices and their status in your AP process are visible to the business.** So, there's no need to try and remember who has what.
- > **Say no to generating or handling mountains of paper invoices.** Save entire forests and tick all the 'green' boxes.
- > **Are you struggling to process the amount of incoming invoices each month?** Kōdo AP Cloud is an affordable, but scalable solution. It can grow with your business.
- > **Kōdo AP Cloud is cloud-based, it doesn't matter where your AP team or approvers are based,** or what time zone they're working in. All they need is an internet connection and a smart device.

FEATURES

-  Route invoices for approvals ✓
-  Invoices checked for errors by the validation engine ✓
-  Vendor system data from your ERP ✓
-  Allocate default Approvers to the Vendor for automatic routing ✓
-  Automated invoice filing, just email it to us ✓

Contact your local Toshiba office to see how Kōdo AP Cloud and the rest of Kōdo Business Suite can help your business.

Together Information is Toshiba' s vision for how people and organisations create, record, share, manage and display ideas and data.

It is based on our belief that the most successful organisations are those that communicate information in the most efficient way.

We make that possible through an integrated portfolio of industry-specific solutions, all of which reflect Toshiba' s commitment to the future of the planet.
